O

As previous mentioned, we should hit the pallets that there is room for. We will proceed with scheduling more deliveries.

Please note that is would be a maximum of approximately more pallets in addition to the delivered.

Megan, trucks per day is what we committed to so that hasn't changed.

has been shipping an average for the last few month's

Good Afternoon [REDACTED]

Please provide a response as soon as possible. At this point, we are estimated to hit the [REDACTED] delivered at Southaven on [REDACTED]
[REDACTED]
[REDACTED]

Appreciate a response ASAP as there are a ton of moving parts here and we need to make arrangements either way.

Best regards,
Meghan
